Disclaimer:
All published data on this website are indicative only and based on crop performance observed in our trial stations. Performance may vary from one geographical area to another and from year to year as local growing habits, soil, and weather conditions may vary. Distributors are urged to run local trials to determine the abiotic and biotic (pathogen strains, etc.) effects on the grown hybrids.
Based on the above statement, we give no warranty for crop performance pertaining to the information given, nor do we accept any liability for any loss, direct or ensuing, that may result from any cause.
